Sponsor Michigan's "Best of the Best" Healthy Living & Community Events

MI Green Team (MGT) is the producer of some of Michigan's largest and liveliest healthy living and community events, regularly listed among the "best of the best" events by leading Detroit media.

MGT events showcase a wide variety of products, services and programs that promote healthy people, planet and prosperity. They offer leading exhibitors, live entertainment, door prizes, expert presentations, healthy concessions, free massage, NPO participation, wellness programs, recycling, kids' activities, awards, special events and more.

Each event is promoted through unmatched corporate and media partnerships, aggressive print and digital advertising, as well as generous community participation and support. Participants and attendees benefit from detailed on-line schedules, listings, and locator maps, as well as door prize, show special, samples and giveaways promotions.

MGT events bring in tens of thousands of people annually to learn about healthy living and to discover healthy alternatives in a wide variety of product and service categories, including food, health care, transportation, clothing, home, personal care, garden, beauty, gifts, kitchen, finances, kids, pets and much more.

Sponsoring these high-profile, community events will help your organization achieve its publicity and marketing goals, and will highlight its commitment to a healthy living, environment and economy.

Growth of MGT Events

MI Green Team's original and flagship community event is the one of the planet's largest Earth Day events, held annually in

downtown Rochester. In April 2006, it was held at Oakland University and was attended by 1,000 visitors. In 2009, the event moved to downtown Rochester and was renamed the **MI Earth Day Fest**, to highlight its regional appeal. It grew to over 50,000 attendees and 200 exhibitors.

Over the years, MGT has partnered with other leading event producers and venues, and expanded its event line up to offer a full schedule of the "best of the best" healthy living and community events, and year-round promotional, merchandising and vending opportunities. 2019 events include:

Unmatched Publicity

Media Sponsorships

Media sponsorship of MGT events has grown consistently, resulting in a wide variety of high-profile promotions and publicity. Sponsors included major Detroit TV and radio, as well as leading MI wellness and community periodicals. In the past few years, media sponsorship has significantly increased to include network TV, leading local newspapers, major radio station, and large general-audience magazines.

Media Coverage

Media coverage has included live television news feeds, pre-event radio interviews, as well as many print and web articles before, during and after events. Metro Detroit media outlets have provided extensive coverage including Fox-2 TV, WDIV, WXYZ-TV Channel 7, the Detroit Free Press/News, the Oakland Press, the Macomb Daily, CBS Detroit Radio, WJR, WWJ, dozens of websites and many others.

Make a Big Impression

Media sponsorships and coverage, along with outdoor advertising and web/email marketing, produce millions of marketing impressions every year. With additional sponsors and publicity, total impressions continue to increase each year.

Community Involvement

MGT healthy living events are truly community events, bringing together interests and leaders from across the political spectrum to promote health, community and economic development.

Oakland County Executive L. Brooks Patterson (R) has endorsed MGT events and presented an Earth Day proclamation. Michigan's Senator, Gary Peters (D), has also generously supported MGT events, including offering recognition in the US Congressional record.

Every year, partnerships are made with local, county and state government, to promote green and wellness programs.

Dozens of leading non-profit environmental, wellness, business and community groups participate each year. Many have played a role in designing and delivering festival programming, promotion & special events.

Connect with Michigan's Health Conscious Consumers

Once a niche market, Lifestyle of Health and Sustainability (LOHAS) consumers now make up more than 25% of US shoppers, and more than \$300 billion in annual sales. The LOHAS market represents an incredible opportunity for specialty brands, as they tend to buy based on values, rather than price. But that kind of loyalty isn't something brands can earn overnight – or with a series of slick ads. To connect with this market, look no further than MGT events, among the area's biggest and best healthy living events!

Support Healthy Programs

MGT healthy living events offer a wide variety of fun and informative healthy-living experiences. Each year, new programming, exhibit areas and activities are added. In recent years, these have included: the Connect Café non-profit networking and community-building, pep rally/parades, races/runs, kids art contests, awards ceremonies, and more.

Exhibits

Exhibitors offer a wide variety of healthy and planet-friendly products, services and programs. Each is listed on well-visited event websites, where

their show specials, door prizes, giveaways and free samples are actively promoted.

Speakers

Speakers include local and national educators, community leaders, chefs, celebrities, activists, and health advocates, offering the latest

information, demonstrations and advocacy on today's most topical issues.

Entertainment

All MGT events include a full schedule of live music and dance entertainment.

Talented up-and-comers, local and national headliners, and popular community/school groups perform on stage to large and appreciative audiences.

Displays

MGT events often include displays of the latest technology - in health/exercise equipment, home improvements,

gardening, alternative fuel & electric vehicles, renewable energy systems, and much more.

Concessions

Healthy and delicious food, drinks and snacks are available at all MGT events. Many of the area's finest food trucks,

restaurants, and caterers offer organic, natural and toxin/allergy free options. Clean dining tables and handy recycling are always provided nearby.

Kids Activities

A kids/family area, with continuous and varied activities, is provided at all weekend and daytime MGT events. Tower and straw-bale

climbs, arts & crafts, farm animal and pet encounters, interactive displays, and other interesting activities keep kids and parents informed and entertained.

Free Services, Prizes & More

After a busy day of shopping, activities and entertainment, MGT event-goers can enjoy a free massage, wellness check, yoga class or

energy work. Door prizes, goodie bags, and other free items/services add to the fun.

Premier Venues

MGT Events are held at premier indoor and outdoor venues, including:

Downtown Rochester, combining great natural beauty with a vibrant downtown, 2013 winner of the Great American Main Street Award. The Rochester area was recently honored by CNN Money Magazine as a *Top 10 Best Places to Live* and attracts well over 2 million event attendees annually, from SE Michigan and beyond.

Eastern Market, a historic commercial district in Detroit, located approximately one mile from

downtown. The district was listed on the National Register of Historic Places in 1978. It offers the largest open-air flowerbed market in the US. On Saturdays, as many as 45,000 people shop there.

Royal Oak Farmers Market, the popular 25,000 square-foot indoor market has remained open year-round for 90 years. Even with increased competition, the Royal Oak market still draws as many as 5,000 people on a busy Saturday. On Sundays, the market is transformed into an antique and flea market, drawing around 2,000 people on a good day.

Packard Proving Grounds, a site rich in Detroit's automotive history and established in 1927 by

The Packard Motor Car Company, this unique site hosts multiple Albert Kahn designed buildings, located on 14 acres, with 3 acres recently added for additional parking. It's becoming one of metro Detroit's premier upscale major event venues.
